

eLearning courses – Price list (by category)

Category	Title	Price (€)	Duration (Months)
Naval Architecture & Marine Engineering	Introduction to Naval Architecture	900	4
	Fundamentals of Ship's Structure	380	3
	Inclining Test and Lightweight Measurements	280	2
	Fundamentals of Marine Engineering	480	3
	Propeller and Shaft Installations	280	2
	Shaft Alignment	380	3
	Introduction to DP Systems	280	2
Materials, Welding & NDT	Materials in Shipbuilding	380	3
	Corrosion and Coating	380	3
	Welding Fundamentals	580	4
	Aluminium Welding	280	2
	Introduction to NDT	280	2
	NDT – Penetrant Testing	280	2
	NDT – Magnetic Particles Testing	280	2
	NDT – Radiographic Testing	280	2
	NDT – Ultrasonic Testing	280	2
	NDT – Advanced Techniques	280	2
Class & Statutory Surveys	Introduction to Class and Statutory Surveys	280	2
	Load Lines	280	2
	SOLAS Safety Equipment	580	4
	SOLAS Safety Radio	200	2
	COLREG	200	2
	MARPOL Oil Pollution from Machinery Spaces	200	2
	MARPOL Oil Pollution from Cargo Spaces	200	2
	MARPOL Air Pollution	200	2
	Anti-Fouling Systems	200	2
Rules & Regulations	Introduction to PSPC	200	2
	Shipbuilding and Repair Standards	200	2
Shipping	Personal Safety on Board Ships	280	2
Cybersecurity	Cybersecurity Awareness in Maritime Environment	100	2

Discount Policy

The following discount policy applies for purchase orders for more than 10 licenses:

- 10% discount for purchase orders from 11 to 20 licenses
- 20% discount for purchase orders from 21 to 30 licenses
- 30% discount for purchase orders for more than 30 licenses
